

TEXAS MINISTRIES

EXPANDING THE KINGDOM OF GOD IN TEXAS

ABOUT REGISTRATION

Registration is meaningful in the Church of God, serving as an expression of your individual and collective commitment to the movement. Annual registration is a statement of covenant relationship and is a requirement for all licensed and ordained ministers according to the current Credentials Manual.

By completing this form, you are registering your church with the state of Texas. Remember, each credentialed minister at your church also needs to complete the [Individual Credentials Registration Form](#).

Additionally, please ensure your annual registration is updated with the national office via your Atlas account. If you require assistance with this process, please contact 800-848-2464.

This form provides the Texas Ministries Credentials Committee with the necessary information to generate the 2026 annual list of churches/ministries in good standing. This list is reported to the Church of God Ministries Office in Anderson, IN.

COST

The fee to register your church is \$50.00. Once you have completed this form, your state registration will be valid for one year from the date of completion.

Checks should be made out to Texas Ministries. Please write "2026 Credentials Registration for {Church Name}" in the memo line.

Checks can be mailed to:
